

Summer FUN

We will be running programs at the library this summer. It is designed for children ages 3-8, supervised by parents. No registration is needed, just drop in between **9:00 AM and 6:00 PM.**

July 5: "Row, Row, Row your Boat"

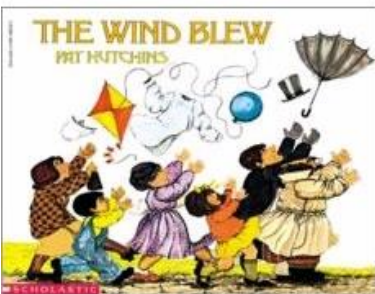

Build a pool noodle boat.

Explore items that float.

July 12: "Paws, Claws and Tails"

Make a bear paw print.

Identify animal prints

July 19: "Wind and Weather"

Make a wind sock.

What can you blow away?

July 26: "Eric Carle Day"

Try your hand at the bean bag toss.

Make a Hungry Caterpillar necklace

August 2: "Fun with Dinosaurs"

Make dinosaur feet.

Go on a treasure hunt.

August 9: "Lego Day"

Build, build, and build.

Lots of LEGO will be available to create with.

August 16: "Construction Site"

Hammer away.

Explore a construction zone sensory kit.

Construction
site sensory
A FUN RECYCLED ACTIVITY

August 23: "Structure Superstars"

Build a cup tower.

Make a marshmallow super structure.
